

# Massachusetts Christian Schools

Interdenominational Christian schools are schools run by Christian organizations or founded upon Christian principles. This is not a comprehensive list of every Christian school in MA, but it is provided to assist in searches. *Disclaimer: We do not purport to know what is taught specifically in the schools listed. We encourage parents to do their own research and to ask the appropriate questions to discover whether a particular school is a proper fit for their family. If you know of a Christian school not on this list, please let us know.*
